here s the hard truth nobody tells you most creators are broke drowning in to do lists chasing likes burning out faster than a matchstick in a hurricane why because they ve got the talent but not the structure the grind but not the leverage that ends now work like a creator earn like a ceo is the kick in the ass blueprint to stop acting like a starving artist and start building like a strategic ruthless money making machine this book hands you the unsexy secrets behind focus that scales systems that free you and leverage that multiplies your results without multiplying your hours you ll learn how to structure your days like a navy seal create like a mad genius and cash out like a cold blooded ceo who knows exactly what their time is worth inside we break down how to turn your content into cash your ideas into assets and your effort into equity no fluff no hustle porn just sharp actionable tactics you can plug in today to build momentum build income and build a legacy so if you re sick of creating like a hamster on a wheel and ready to run your life your brand and your business like a true boss this book is your unfair advantage read it implement it own your time stack your wins because it s time you earned like the value you bring

read journalist zola levitt s fascinating interview with dr moore professor of natural science at michigan state university and see how it can help you dr moore is a professor who dares to expose his students to both the creation and evolution models then lets them draw their own conclusions about origins though he once used only evolution to explain the origin of the universe after years of study he now asks some pointed questions 1 is it really scientific to call the evolution model a theory or a hypothesis 2 how does it affect school children when evolution is taught as fact 3 does the way we believe about how man got here on earth make any difference in how we treat other people 4 is it really fair to say that the creation model is a purely religious or philosophical belief isn t belief in evolution also a system of faith a truly thought provoking interview with a noted scientist

the present volume is a continuation of the series contemporary philosophy as with the earlier volumes in the series the present chronicles purport to give a survey of significant trends in contemporary philosophy the need for such surveys has i believe increased rather than decreased over the years the philosophical scene appears for various reasons more complex than ever before the continuing process of specialization in most branches the increasing contact between philosophers from various cultures the emergence of new schools of thought particularly in philosophical logic and in the philosophy of language and ethics and the increasing attention being paid to the history of philosophy in discussions of contemporary problems are the most important contributing factors surveys of the present kind are a valuable source of knowledge of this complexity the surveys may therefore help to strengthen the socratic element of modern philosophy the intercultural dialogue or kommunikationsgemeinschaft so far nine volumes have been published in this series viz philosophy of language and philosophical logic volume 1 philosophy of science volume 2 philosophy of action volume 3 philosophy of mind volume 4 african philosophy volume 5 medieval age philosophy volumes 6 1 and 6 2 asian philosophy volume 7 philosophy of latin america volume 8 and aesthetics and philosophy of art volume 9

as the butch doyenne of the parisian salons gertrude stein captures the heart of picasso in that context and gives insights on how picasso worked as an artist and why cubism came about in the way that it did also this portrait of picasso contains pretty clear description of cubism and reveals a lot about relationship between picasso and stein without revealing a lot of actual events in either of their lives gertrude stein 1874 1946 was an american novelist poet playwright and art collector best known for three lives the making of americans and tender buttons stein moved to paris in 1903 and made france her home for the remainder of her life picasso and cubism were an important influence on stein s writing her works are compared to james joyce s ulysses and to marcel proust s in search of lost time
